

LA MAISON VEDA

PERIWINKLE ESTATE, LEKKI PHASE 1

Lagos, Nigeria

Africa's Powerhouse City

Lagos is more than just a city. It is the pulsating heartbeat of Nigeria's economy and a key engine of Africa's growth. Contributing nearly 25% of Nigeria's GDP and accounting for over 10% of total national employment, Lagos stands as a true powerhouse driving the nation's prosperity.

With an estimated GDP of \$145 billion, Lagos ranks among Africa's largest economies, comparable to global hubs like Johannesburg and Cairo. It is home to some of the most influential individuals on the continent, supported by a thriving business ecosystem that attracts ambitious minds and discerning investors from across the world.

To own a piece of Lagos is more than an investment, it is a stake in one of the world's most dynamic, vibrant, and influential cities.

La Maison Veda

Secure titles. Prime location. Elevated living.

An exclusive enclave of six exquisitely crafted semi-detached 4-bedroom terrace residences with maid's quarters, nestled within the prestigious Periwinkle Estate, Lekki Phase 1. Designed to embody refined, privacy, and contemporary family living, La Maison Veda offers a seamless blend of architectural elegance, premium finishes, and serene surroundings in one of Lagos' most coveted residential addresses.

Strategically located in the heart of Lekki Phase 1, residents enjoy direct access to top-tier infrastructure, lifestyle destinations, business hubs, schools and essential urban conveniences all within a secure and refined community tailored for elevated living.

Offering the perfect balance of privacy and connectivity, La Maison Veda is strategically located within easy reach of key landmarks, business hubs, and leisure attractions.

Here are a few landmarks within proximity of La Miason Veda:

- Wave Beach, Oniru Beach & Elegushi Beach
- Circle Mall
- Lufasi Nature Park
- Nike Art Gallery
- Blenco Supermarket
- Lekki Conservation Center
- A chain of upscale restaurants
- Essential business districts
- A couple of worship centers
